SOLICITORS' SUPPLEMENTAL INSTRUCTIONS

Please note that we create and trade mortgage assets and it is imperative that our mortgage is secured by a promptly registered fully enforceable first ranking legal charge over the property. Should we incur any costs to ensure our charge is correctly registered we will seek to recover these from yourselves.

In order to act on our behalf you must hold a current practising certificate and your firm must be managed by a minimum of three partners all of whom are registered with the Law Society of Northern Ireland as Principals in Private Practice, and be regulated by the Law Society of Northern Ireland. If your firm is managed by two or fewer partners and/or is not regulated by the Law Society of Northern Ireland, you should return these instructions immediately stating this fact.

Please also note that:

1. These solicitor's supplemental instructions are supplemental to and do not detract from the generality of the instructions contained in the UK Finance Mortgage Lenders' Handbook. Please therefore ensure that you comply with the Handbook and in particular our specific requirements in Part 2.
2. In the event that you are acting for any party other than the borrower and Kensington Mortgage Company Limited (trading as Kensington or Kensington Mortgages (the "Lender") in this transaction you should immediately notify the Lender.
3. Any references to the Lender include Kensington Mortgage Company Limited trading as Kensington or Kensington Mortgages its subsidiaries, its transferees, successors and assigns (including any legal or equitable assignee or transferee of the mortgage, whether by way of absolute assignment or by way of security only) and those deriving title under it or them.
4. Any references to the 'borrower' mean all of the borrowers if there is more than one of them.
5. All terms in bold shall have the meaning given to them in the Kensington Mortgage Conditions (Northern Ireland) 2020.
6. Paragraph 1.12 of the Handbook does not apply.
7. Unless the offer says otherwise, the requirements of the Handbook and these instructions must be satisfied before we release any loan. If any of the requirements cannot be satisfied, you should report this to us so that we can consider whether to lend. If you need to notify us of or take our instructions on any matter in order to comply with our instructions, please ensure you do so before submitting your certificate of title and well in advance of the anticipated date of completion.

Explanation to the Borrower

8. You should explain to each borrower (and any other person signing a document, such as a guarantor) the conditions of the mortgage and their responsibilities and liabilities. In particular please ensure that they are informed that:
 - a. the fees and charges which may be charged throughout the life of the mortgage and the fact that these fees and charges may be varied over time;
 - b. any fees or charges which will be imposed on an early redemption of the mortgage;
 - c. that although the Lender does not require life cover as a condition of the mortgage, the consequences for the borrower if they choose not to take out such cover;
 - d. that if the mortgage is an interest only mortgage or any element of the mortgage is to be made on an interest only basis, that it is the borrower's responsibility to arrange for the capital repayment of the loan or that element of the debt at the end of the term and to take out life cover for the term of the loan if considered appropriate (in particular please explain that where an endowment or pension policy or other savings instrument is put in place by the borrower, the borrower must seek advice from a broker that the proceeds will be sufficient to repay the capital at the end of the mortgage term – the Lender does not provide or sell, nor hold itself out as having any expertise to advise in relation to the value, suitability or benefits on maturity of such policies or savings instruments);
 - e. that the declarations which they have made in the mortgage application are incorporated in the mortgage, and must not in any way be misleading or false;
 - f. that the valuation report has been prepared by the valuer (who is not the Lender's agent) for the Lender's use for mortgage purposes only and that neither the Lender nor the valuer are under any liability for negligence or on any basis whatsoever to the borrower in respect of the value or the state or condition of the property; and
 - g. that in accordance with clause 11.1 of the Mortgage Conditions the mortgage is security for the loan and for any other amount the borrower owes us under another agreement we have (or will have) with the borrower whilst we still have security over the property.
 - h. where the loan term goes beyond the borrower's state retirement age, that the borrower's retirement income must be sufficient to allow the borrower to afford the loan repayments for the full term of the loan.

Buildings Insurance

9. You are required on our behalf to ensure that the buildings insurance complies with the requirements of the mortgage conditions and meets the following specific requirements:
- We require that all the following risks are covered in the insurance policy:

 - If the listed risks are not covered, please report to us.

 - o the insurance policy number
 - o the sum insured
 - o the address of the insured property
 - o the start and end date of the policy (or the start date and duration of the policy)and be on the insurers headed paper
 - The sum insured must be greater than or equal to the reinstatement value as set out in the valuation and be index linked.
- If the property is not insured in accordance with our requirements you must report this to the Lender.
10. The insurance must be in place from the date of completion.
11. You should explain to each borrower their responsibilities and liabilities in relation to buildings insurance. In particular please ensure they understand that the insurance must be maintained throughout the mortgage term and that we have the right to request evidence of insurance and where this is not provided or is not adequate, we may (but are not obliged to) insure the property or our financial interest in the property. Where we do arrange such insurance we may charge the borrower for this.

Additional Requirements in relation to Title

12. The borrower's title to the property must be absolute freehold or absolute or good leasehold or good fee farm grant title (in the case of registered land). In the case of unregistered land, the borrower's title must be a fee simple absolute in possession or a term of years absolute, a leasehold title free from any matters which reasonably be expected to materially adversely affect the value of the property or its future marketability and which, on first registration at Land Registry would be able to be registered as absolute or good leasehold title, or a fee farm grant title free from any matters which reasonably be expected to materially adversely affect the value of the property or its future marketability and which, on first registration at Land Registry would be able to be registered as absolute or good fee farm grant title. In the case of leasehold or fee farm grant title, our requirements in respect of any covenants, rights granted, restrictions and other burdens are as set out in the Handbook. Possessory title is not acceptable unless appropriate arrangements acceptable to us are made. Please contact us if the borrower's title is possessory. Qualified title is not acceptable. Please contact us if the borrower's title is qualified. The requirements of the Handbook are amended accordingly.
13. You should ensure that, where applicable, the property is acquired by the borrower(s) with the benefit of all covenants implied on a conveyance for value by a beneficial owner. In the event that the borrower will not obtain the benefit of all covenants implied on a conveyance for value by a beneficial owner, you should report this to us. The requirements of the Handbook are amended accordingly.
14. The borrower must be the absolute beneficial owner of the property and must not be purchasing it as nominee for another nor hold any part of it on trust for anyone else, nor must anyone else be given any option or other right to buy it from the borrower. The solicitor must report to the Lender at once if the borrower is not to be the absolute beneficial owner or if such an arrangement exists.
15. If the property address on the title deeds and your certificate of title is not identical to the address we have quoted on the offer please confirm that the properties are one and the same.
16. Please also confirm that (a) the property to be mortgaged to us is as described in the valuation report; and (b) that the whole of the property as valued will be mortgaged to us
17. Please note that where the property is newly built, in addition to the requirements in the Handbook, the property must be completed to the satisfaction of our valuer.
18. You should report to us immediately if the seller is a relative of the borrower.

Other Occupiers

19. Unless the offer is for a buy to let mortgage or second home mortgage, it is a condition that the property be used by the borrower for their own domestic residence and occupation. If you have any information which suggests that this might not be the intention of the borrower, you must report this to the Lender at once.
20. You must advise the borrower that unless the mortgage is a buy to let mortgage any letting of the property is prohibited unless the Lender consents and draw the borrower's attention to the Lender's right to increase the interest rate payable if there is any letting.
21. You must advise the borrower that the property can only be let in accordance with our letting criteria in force at that time. Our current letting criteria are set out below:
